SPORT

Hike to Trikotna jasa

Students and parents spent a fantastic day at Trikotna jasa as part of our our Tourism Club! We not only hiked through stunning scenery, but also dove into the enchanting folk tale of the Poštela Treasure.

The students brought the story to life by illustrating it on a large poster, which was proudly presented to parents in the Poštela area—where it all began! It was heartwarming to see everyone come together and playing at the summit.

A CHRISTMAS CAROL

12th November students visited Narodni dom in Maribor, where they experienced an American-British rendition of A Christmas Carol by Charles Dickens. The students, together with a full hall of students from different Maribor schools enjoyed a renowned performance of the theater group, directed by the esteemed Christian Flint and Rick Clodfelter and produced by Grantly Marshall.

CULINARY DAY

We celebrated Culinary Day, a feast of flavours, cultures, and international -mindedness!

Students and parents shared a traditional Slovenian breakfast, complete with bread, butter, honey and apples –a taste of heritage!

The home economics room transformed into a global kitchen, showcasing traditional foods from around the world, which enabled us to explore the diversity that connects us all.

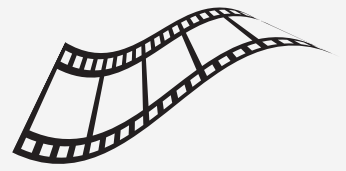

Parents joined us, contributing their culinary expertise and stories. Together, we celebrated the power of food to bring communities together and deepen our understanding of cultural traditions.

MAKING ORNAMENTS FOR THE CHRISTMAS FAIR

Pupils made different Christmas decorations to sell at the Christmas fair. Not only were they making, but some pupils decided to bake gingerbread cookies instead. These were very much enjoyed by all the pupils and teachers.

ANIMATION FESTIVAL

Students 4-5M attended the ANIMATION Festival, where they watched documentary films made by children and young people from all over the world, and then had the chance to create their own animated film.

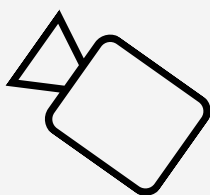

CHRISTMAS FAIR

A Christmas fair was organised at the school, where pupils sold decorations they had made. The pupils were happy to wander among the stalls, shop, socialise and have a sweet treat at the same time.

COOPERATION WITH THE INTERNATIONAL SCHOOL IN OPATIJA

As we are an international school, students love to talk to other students from the international school. This time we shared fairy tales with pupils from Opatija. The video call was very successful.

THE NUTCRACKER

4-5M pupils brightened up their school holidays by watching the ballet The Nutcracker at the theatre. Before going to the performance, the pupils read the story and then watched it live. The pupils enjoyed watching the ballet, which they expressed with a big round of applause at the end of the performance.

SOCRATES CAFÉ

A group of our MYP students participated in a Socrates café discussion about different themes associated with Slovenian identity (Slovenian holidays, national symbols, and cuisine).

They presented their work to students from the national department and proved that they are communicators and risk-takers. It was an interesting and insightful discussion that shed light on the cultural, traditional, and symbolic aspects of Slovenian identity.
